EXPERIENCE

Winter Internship

CSRBOX

📅 Dec 2024 – Jan 2025

📍 Ahmedabad , Gujarat

- Completed a structured 2-week program focused on employability skills and placement preparation.
- Attended career sessions on resume writing, mock interviews, aptitude, and communication to improve placement readiness.

Summer Internship

CSRBOX

📅 Jun 2024 – Aug 2024

📍 Ahmedabad , Gujarat

- Developed responsive web projects using HTML, CSS, and JavaScript.
- Designed a front-end website for a sustainability initiative focused on clean, affordable energy and environmental impact.

PROJECTS

Password Manager

MERN Stack Project

- Built a secure web-based password manager using MongoDB, Express.js, React.js, and Node.js.
- Enabled users to store, retrieve, and manage credentials through a responsive and clean user interface.

Personal Portfolio Website

Frontend Project

- Designed and developed a fully responsive personal portfolio to showcase projects and skills.
- Implemented smooth navigation, clean user interface / user experience, and modern layout principles to enhance the user experience.

ATM Management System

C++ Project

- Developed an ATM management system in C++ using object-oriented programming principles to simulate real-world banking operations.
- Feature implemented that includes user authentication, balance inquiry, deposits, withdrawals, and transaction history through a menu-driven interface.
